

# New York TRUTH Act Resolution

## RESOLVED:

The Village Independent Democrats supports the New York TRUTH Act (A.1390, S. 2271), which would require the New York State Department of Taxation and Finance to post on its website the past five years of New York State tax returns filed by the President of the United States, the Vice President of the United States, New York's United States Senators, Governor, Lieutenant Governor, Comptroller, and Attorney General. This bill would apply to the tax returns filed by current office holders.
