**Proposed letter urging extension of public comment period for Draft Remedial Investigation Work Plan of the Brownfield Cleanup Program.**

Dear Project Manager Rafi Alam,

I am writing on behalf of Village Independent Democrats in support of “Children First’s” application to extend the public comment period for the Draft Remedial Investigation Work Plan (DRIWP) of the Brownfield Cleanup Program (BCP) site at 250 Water Street.

We are asking that the public comment period be extended to March 1, 2020 to provide the community sufficient time to review suitable third party environmental consultants and properly develop community comments on the DRIWP.

We support their efforts to protect the community and the environment.

Sincerely,

David Siffert  
President, Village Independent Democrats
