

## **April 26 Letter to the Board of Elections Regarding the Presidential Primary**

Dear Commissioner Spano and Co-Chair Kellner,

I am the President of the Village Independent Democrats, and I write on behalf of VID to urge you not to remove Bernie Sanders from the primary ballot. The Village Independent Democrats endorsed Joe Biden for President, before Mr. Sanders suspended his campaign and endorsed Mr. Biden. We will be encouraging our members and our community to support Mr. Biden in the primary. However, we value our democracy, and we do not believe the Board of Elections should be making a unilateral choice to remove candidates from the ballot. Let's let the voters decide.

Sincerely,

David Siffert  
President, Village Independent Democrats
